

Brian C. Bosworth Graphic Design + Illustration

1732 15th Ave S., Unit 2, | Seattle, WA 98122 | (206) 778-4469 | briboz@gmail.com | brianbosworth.com

EXPERIENCE

- COMPANY Brian C. Bosworth
POSITION Owner
WEBSITE brianbosworth.com
TERM November 2005 - Current
DESCRIPTION Professional graphic design, illustration, web design, user interface and experience design, typography and typeface design, layout, photography and photographic manipulation, logo and brand design, character design, painting, screen printing, and concept strategy.
- COMPANY Microsoft FUSE
POSITION User Interface Designer, Graphic Designer
WEBSITE fuse.microsoft.com
TERM September 2009 - January 2010
DESCRIPTION Designing user interfaces of conceptual social computing experiences. FUSE focuses on the “Future of Social Experience.” A development team creates short-cycle social technologies for the desktop, mobile devices and the web. I designed user interfaces for concept-stage applications including new interfaces for more dynamic search engines and personal, thematic data organization with desktop-to-cloud interactivity.
- COMPANY Microsoft Creative Systems
POSITION Character Designer, User Interface Designer, Video Game Stylist
WEBSITE research.microsoft.com/en-us/projects/kodu/
TERM April 2008 - September 2009
DESCRIPTION Creating, designing and illustrating dozens of characters for Kodu, a video game aimed at teaching young people the basics of programming. Designing the user interface of the video game, including all menus, tables, and tool palettes, as well as directing users between menus.
- COMPANY Microsoft Zune
POSITION Production Graphic Designer
WEBSITE www.zune.net
TERM September 2007 - March 2008
DESCRIPTION Manipulating professional photographs of hundreds of artists for presentation on Zune Marketplace, the site for purchasing music for the Zune media player. Conceptualizing dozens of marketing project ideas.
